### Community Group

**Bible Story:** Peter Was Rescued From Prison (Acts 12)

**Discussion Starter:** Peter was arrested because his message was different and scary to those with authority. Talk with your child about how following Jesus will make them seem different and maybe even scary to others around them, but give them confidence that God will always be with them.

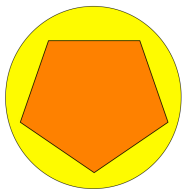

### Kids Worship

**In Christ:** Putting Off the Old (Colossians 3:1-12)

**How to Say It:** Because we are in Jesus, we no longer do the things we used to.

**How to Pray It:** Pray with your child that God would continue to transform them into the man or woman he has made them to be.

## **ANNOUNCEMENTS**

- We want to do a better job sharing pictures and videos of what your child is doing in Kids Ministry, but we know that it is important not to share every child's image publicly. **Please click the link below to either grant or deny permission for us to share your child's image,** even if you think we already know what is right for your child!

- We're hosting another Family Workshop called **Parenting Through Big Emotions!** Come May 8<sup>th</sup>, 5:30-7:30 PM to talk through how we can walk alongside our kids when they feel heavy emotions or have a hard time expressing themselves clearly and in a healthy way.
