

Purpose Statement: DOCC men's ministry exists to lead men to Believe In, Live In and Live Out the Gospel. We accomplish this through discipleship, relationships and service.

How It's Lived Out

Discipleship: We offer men's Bible studies throughout the year which are topic based.

We also encourage our men to be a part of a community group. It's important to live in the reality of the gospel with other believers.

Relationships: We host two to three events each year that enable men to hang out with other men. This is an enjoyable time to have fun, deepen friendships, get to know one another and encourage one another.

Service: We are fortunate to have partnered with multiple local ministries and strive to lead our men to participate in opportunities to support and serve alongside our mission partners. Our heart is for men to be able to live this out with other men, but also to have opportunities to lead his family to serve together.

Our leadership team consists of:

Jared Simmons	Tom Cotter
George Wehby	Trey Garrett
Brian Marbury	

If you have any questions, please contact Brian Marbury at bmarbury@docc.org.
